SLEEP Catch a different kind of wave at **Ten Thousand Waves**, a Japanese-style resort in the mountains above Santa Fe (3451 Hyde Park Road, tenthousandwaves.com; 505-992-5025; trailer from \$109, four-hands massage \$189, hot tub from \$20 per person). Be one with nature in your own Airstream trailer. After soaking in an outdoor hot tub, swimming in the ocean might seem rough. Enjoy a four-hands massage in a pagoda, then hang around for a free (subtitled) Thursday-night showing of a Japanese film.
